INTRODUCTION TO ATTACHMENT WORKSHOP FOR SCHOOL LEADERS

For full event details visit: <https://schools.ealingcpd.org.uk/course/18944>

Event code

SCH 21/476

Event description

This session aims to support and improve delegates' knowledge and understanding of early attachment development. The making of secure and insecure attachments will be explored, and the trainer will demonstrate how early attachment experiences influence later learning and behaviour. Strategies and approaches to support children's attachment needs in the classroom will be shared.

This workshop is aimed at Senior leaders, they will have access to the resources so they can run the session with school staff.

There will also be a follow up session on 30/11/2021 from 13:00 - 14:00, to discuss the impact of the training and work through challenges.

Tutor: Irene Tymkiw Educational Psychologist
